MEMORANDUM FOR: Deputy Director for Administration

FROM : Deputy Director of Central Intelligence

SUBJECT : Implementation of IG Recommendations in the Office of Security Inspection Report

I have reviewed your report on the implementation of the recommendations approved in the IG survey of the Office of Security (OS). The inspection report made several observations regarding the need for innovativeness in OS that are still valid. Given the demands on OS resources and the key role that it plays, it is important that you continue to look for ways to improve existing security practices and procedures.
